

Impact

2018 Community Benefit

Making an Impact on the Community

Improved personal and neighborhood safety

made possible through 19 solar powered security light installations, several artistic board ups and 30 general landscaping/vacant lot cleanups through the Neighborhood Revitalization Project

Nearly **330,000**

pills off the streets and properly disposed of during Prescription Take Back Days and in DUMP boxes

Employed up to **300** tradesmen on the new tower construction project

More than **\$100 million in direct labor costs** for construction projects during the next few years

More than **285,000 meals provided** through the Harvest for Hunger campaign from 2011 - 2018

10,234 WAGtime pet therapy team visits at Summa Health

204 active teen volunteers supporting 50 departments through 2018 Teen Volunteer Program

45 community leaders

attended the White Coat Program
