# Making an Impact on the Community

## Improved personal and neighborhood safety

Summa Health and Habitat for Humanity of Summit County/Neighborhood Network partnered in the Middlebury community to improve the quality of life for all residents through:

- Exterior home repair materials and staff time
- Community meeting snacks and printing
- Solar powered security lights
- Public space revitalizations
- Artistic board up supplies
- Costs to clean up vacant lots
- Landscaping

47 Summa Health employees donated **more than 407 volunteer hours** through Neighborhood Network.

As an active member of the Summit County Community Drug Planning Committee, the Summa Health Police Department has **helped distribute more than 130,000 Deterra™ pouches** over the past four years, eliminating more than **5 million** prescription pills.

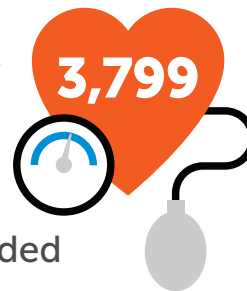

**Free skin cancer screening event** garnered 57 participants, with 17 findings recommended for biopsy.

## Nearly 150 pounds of pills off the streets

and properly disposed of through 2019 Prescription Take Back Days.

**3,799 blood pressure screenings** through Check. Change. Control program in collaboration with the American Heart Association; 55.8% of participants were recorded as hypertensive.

**26 participants** at free Mammograms, Mindfulness and Massage event.

**10,954** WAGtime pet therapy team visits at Summa Health.

**More than 82,000 meals** provided through 2019 Harvest for Hunger campaign.
