

Impact

2020 Community Benefit

Summa Health's Community Reinvestment Board Impact (CRIB)

\$419,850

Dollars paid by CRIB are charitable gifts given for philanthropic reasons with minor or no benefit returned and are in addition to community benefit dollars

98%

of donations
stayed local

55

community organizations
were helped through
Summa Health
reinvestment dollars

Helped more than

208,500

individuals in the surrounding community
with mental health/healthcare access wellness,
prevention, food insecurity, education and more

73%

of sponsorships had three
or more qualifications of
the Community Health
Needs Assessment (CHNA), a
collaborative report created
every three years that
identifies significant health
needs in the community

More than

77,000

individuals were helped from
Summa Health's sponsorships
who were disproportionately
affected by COVID-19
